Literature Essay

As part of the first study area, you will complete two assessment tasks.

The first assessment task: Essay Outline (200-250 words +-10%)

You will have to submit an outline for your literature essay in week 4.

The outline involves responding to a question and using a literary text to support your response (your choice).

- 1. Read the question and identify what you are expected to do.
- 2. Answer the question in the form of a thesis statement
- 3. Find support for your thesis in the text and add it to your outline.
- 4. Include your own notes for the introduction, body paragraphs and conclusion.

The second assessment task: Essay (500-700 words +-10%)

You will have to submit a literature essay in week 6.

The essay involves responding to a question and using a literary text to support your response (your choice). Your outline will help you write your essay.

- 1. Read the feedback from your teacher and adjust the outline accordingly.
- 2. Compose a literature essay that uses introduction-body-conclusion.
- 3. Use a combination of narration and direct quote from the text.
- 4. Use the rubric to help guide your response.
